Actions in Response to the
United States Environmental Protection Agency
Emergency Administrative Order
Updated: 2/24/2020**

EXECUTIVE SUMMARY:

The United States Environmental Protection Agency (USEPA) Emergency Administrative Order contains 15 overall items to be addressed by the Michigan Department of Environment, Great Lakes, and Energy (EGLE). This update includes status only on items for which progress was made in the last week. It is anticipated that the next update to this summary will be provided on Monday, March 2, 2020.

Paragraph 59

- On February 14, 2020, the city of Flint submitted their updated Lead and Copper Report and Lead and Copper Sampling Plan. EGLE is currently reviewing these documents and will calculate the 90th percentile for the monitoring period of July 1 through December 31, 2019, based on the information provided in the report.
